### POSITION SUMMARY

Imagine a supportive employer, a career that allows you to follow your passion and the endless learning opportunities you will receive. To do what you're good at and be a part of something extraordinary. At West Haldimand General, you can experience all of that and more.

We are currently looking for nursing students, like you, to join our Inpatient Unit's Enhanced Extern Program and gain valuable health care experience for your future. The clinical extern will be working in the capacity as an unregulated health care provider in collaboration with their interprofessional team.

Our Inpatient Unit has 23 beds and provides care for adult medical/surgical patients. Patients with a wide variety of clinical conditions are treated, including those who are recovering from surgeries, those hospitalized for acute conditions, and others who may be in the final stages of a progressive and chronic disease.

The Enhanced Extern Program provides students the opportunity to provide patient-centered care and perform pre-identified Controlled Acts authorized within the Regulated Health Professions Act of Ontario (RHPA) under the direct and/or indirect supervision of an identified Health Professional.

WHGH is just a short 30-minute drive away from Simcoe, Brantford and Hamilton. Come join our friendly and experienced team today!

### DUTIES

1. Practices under the direct and/or indirect supervision of the health professional assigned to them on the unit and in accordance with professional standards and policies and procedures of WHGH.
2. Clinical Externs seek collaboration with health professionals to ensure that they have the knowledge, skills and abilities needed to perform all duties. Externs will request assistance when needed.
3. Provides support to clinical teams by including and not limited to: lifting, turning, transferring, transporting, and ambulating as per the hospital policy, and provides measures to ensure skin integrity and reduce pressure injuries.
4. Demonstrates critical thinking and decision making in assessment and problem identifications
5. Utilizes appropriate and professional communication skills (i.e. written, computerized, verbal and nonverbal) for the benefit of the patient, health care team and health care facility.
6. Exhibits knowledge and participation in safety programs and practice that protects the patient, self, and health care team members
7. Safety (patient, worker & workplace) is a WHGH Corporate Priority. The successful applicant will demonstrate good stewardship in the identification, reporting and mitigation of unsafe acts or conditions.

### POSITION REQUIREMENTS

1. Nurses in any year of study must be enrolled in a CNO approved baccalaureate or diploma nursing program.
2. Demonstrated evidence of excellent academic standing.
3. Current Basic Cardiac Life Support (B.C.L.S.).
4. Recent successful completion of a clinical placement.
5. Demonstrated ability to work well as part of a multidisciplinary team, as well as request guidance when needed.
6. Demonstrated excellence in communication skills, interpersonal skills and problem solving.
7. Completion of any orientation and mandatory certificates as defined by WHGH.
8. Demonstrated understanding and implementation of Infection Prevention and Control practices.
